

The Director of Central Intelligence

Washington, D.C. 20505

National Intelligence Council

NIC# 04531-85
10 September 1985

MEMORANDUM FOR: Chairman, National Intelligence Council

THROUGH: Vice Chairman, National Intelligence Council

FROM: MG Stephen E. Nichols, USA
National Intelligence Officer for General Purpose Forces

SUBJECT: Authorization to Bring IIM, Soviet Antiarmor Programs
Drafter to Washington

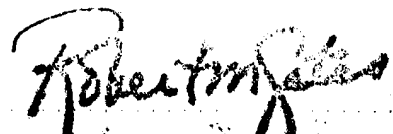

1. The first draft of the subject paper has been received and although considered by this office as an excellent effort, needs augmentation. Review by SOVA and OSWR supports this view.

2. We have been in contact with the drafter, who works for the Missile Intelligence Agency, Huntsville, Ala. and believe it will be necessary to bring him to Washington in order to provide the proper guidance for the second draft of the IIM. One full working day would be sufficient to have [redacted] meet with his counterparts here in SOVA and OSWR and receive the help he needs. 25X1

3. Request approval to bring the drafter to Washington on 27 September. It is anticipated that air fare and TDY fees will not exceed \$500.

Stephen E. Nichols
